# BEFORE YOU BEGIN

This cleaner must be operated in accordance with these instructions and used only for domestic household cleaning to remove DRY dirt and dust from household carpets, flooring, walls and fabrics.

This cleaner is not fit to be used as an industrial cleaner and will void the manufacturer's warranty if used inappropriately.

## Please read these instructions thoroughly

This will ensure you obtain full benefit from your new cleaner. Keep this Instruction Manual in a handy place for future reference.

## Important

Always switch off the cleaner before cleaning, when not in use, attempting any maintenance task, fitting or removing accessories. The charger adapter must only be connected to an AC power supply at the voltage shown on the rating label. This cleaner should only be charged with the charger provided. This cleaner should only be used for its intended purpose as described in these instructions.

## Precautionary measures:

1. **Do not** operate the vacuum cleaner too close to heaters, radiators or other hot surfaces.

2. Before inserting the plug into the wall, make sure your hands are dry.

3. Before turning on the vacuum cleaner, safely remove any large objects from the floor or cleaning surface in order to prevent damage to the filter.

4. When you want to remove the plug from the power socket, **do not** use the power cable, gently pull the plug from the power socket.

5. **Do not** use this vacuum cleaner to pick-up water or liquids.

***Do not use this vacuum cleaner if the battery pack housing and/or the charger housing is damaged.***

# SAFETY INSTRUCTIONS

**IMPORTANT! Always switch off the cleaner before cleaning, when not in use or attempting any maintenance task. The charger must only be connected to an AC power supply at the voltage shown on the rating label. This cleaner should only be used for its intended purpose as described in this instruction manual. Never operate the cleaner without filters.**

When using your vacuum cleaner, basic precautions should always be observed, including the following;

1. This appliance is not intended for use by persons (including children) with reduced physical, sensory, mental capabilities or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
2. Children should be supervised to ensure that they **do not** play with the appliance.
3. To prevent electrical shock, **do not** immerse the appliance, battery or power plug into water or other liquids.
4. To prevent electrical shock, **do not** use the vacuum cleaner outdoors or on wet surfaces.
5. Always check the power cord before use, the power cord and the power adapter should be in a good condition and **must not** be damaged. If the power cord or the charger adaptor is damaged or defective, it must be replaced.
6. The appliance and charger are intended for domestic indoors use only.
7. **Do not** unplug the charger by pulling on the power cord. To unplug, grasp the power adapter, not the power cord and gently pull the power adapter from the power socket.
8. **Do not** handle or operate the appliance with wet hands. Follow electrical safety precautions at all times.
9. **Do not** attempt to change the attachments while the appliance is switched on. Use only manufacturer's recommended accessories.
10. **Do not** operate the vacuum cleaner too close to heaters, radiators and other hot surfaces.
11. **Do not** use the appliance to pick up flammable items or combustible liquids (i.e. gasoline, hot ashes, cigarettes, matches, explosive materials or anything burning) or use

in areas where such substances and items may be present.

12. **Do not** use the appliance to pick up toxic materials (i.e. chlorine, bleach, ammonia).
13. **Never** operate or use the appliance without the filters in place.
14. Before vacuuming, remove any large or sharp objects from the floor or cleaning surface in order to prevent damage to the filter.
15. If the air inlet or floor head is blocked, switch off the cleaner straight away. Clear the blocked object before attempting to start the vacuum cleaner again.
16. Before carrying out any maintenance or cleaning the filters, always switch off the vacuum cleaner.
17. Keep openings away from your face and body.
18. **Do not use** the vacuum cleaner if it is damaged or broken. If connection cables are damaged, have them replaced immediately.
19. **Never** clean the vacuum cleaner or any of the electrical parts, especially the electrical connections with water or liquid cleaners.
20. **Never** attempt to make any modifications to the vacuum cleaner and charger.
21. Always store the appliance, battery and charger indoors in a cool and dry place.
22. **Do not** use the vacuum to pick up water or liquids. This cleaner is for dry household use only.
23. Use the electric power head only for vacuuming dust and dry substances in the home.
24. **Never** run over the power cable with the power head, as this may cause damage to the power cable.
25. Keep your hands away from the roller brush while the vacuum cleaner is switched on.
26. To prevent unnecessary wear on the power head, keep it moving while in operation.
27. Damage caused by improper use or by not observing the instructions in this manual will void the warranty.

## Battery use and care

1. The appliance is only to be used with the charger provided with the appliance.
2. Only charge the battery inside the cleaner or the charging dock. Only use the specifically designated charger to charge the product.
3. When the appliance is not in use, keep it away from other metal objects, like paper clips, coins, keys, nails, screws or other small metal objects that can make a connection from one terminal to another. Shorting the appliance terminals together may cause burns or a fire.
4. Under abusive conditions, liquid may be ejected from the battery; avoid contact. If contact occurs, flush with water immediately. If liquid comes into contact with your eyes, seek medical help immediately.
5. **Do not** charge or store the appliance outdoors or inside the car. Only charge or store the battery in a dry indoor area where the temperature is more than 20°C but less than 35°C. The charger is for indoor use only.
6. **Never** attempt to open the battery for any reason. If the plastic housing of the battery casing breaks or cracks, immediately discontinue use and **do not** recharge.
7. The charger is **not** a serviceable part.
8. Before disposal of your battery, fully discharge your battery by running the product until it stops.
9. The cleaner contains a Li-Ion battery. **Do not** dispose the appliance with your local garbage. Contact your local council for instructions on how to safely dispose of the battery.
10. **Do not** use the charger to charge a non-chargeable battery.

Your Wertheim cleaner, in the case of domestic use, has a two year parts and labour warranty against product defects and failures when the product is used in accordance with the terms and conditions of this warranty statement.

This warranty commences from the original date of purchase and is not transferable; please retain your original proof of purchase for any warranty claims. This warranty is valid only in the country where the cleaner is purchased.

The cleaner must be operated in accordance with these instructions and used only for domestic household cleaning to remove DRY dirt and dust from household carpets, flooring and fabrics. This cleaner is not fit to be used as an industrial cleaner, and is not designed for the collection of vitreous building material including particle board, construction products and similar products such as wood/fibres, cement, fillers, fibre glass etc or excessive or frequent sand. The infrequent pick-up of these materials in these circumstances may be harmful to your cleaner and may void the manufacturer's warranty.

Accessories and consumables including dust bags and filters, unless defective in manufacture, are not subject to this warranty. In order to prolong the life of accessories and consumables, regular care and maintenance is recommended.

When properly used and cared for, your cleaner will render excellent service; refer to the instruction manual for further details, as misuse or failure to follow the instructions makes this warranty void.

In the event of service or advice being needed, please contact Electrical Home-Aids Pty Ltd, Brandon Office Park, Building 3, First Floor, 530-540 Springvale Road, Glen Waverley, Victoria, 3150, or on 1800 815 270 (AUS) 0800 282 288 (NZ), Monday-Friday 9am-5pm EST. The decision to repair or replace the cleaner is at the sole discretion of Electrical Home-Aids Pty Ltd. If Electrical Home-Aids Pty Ltd decide to repair or replace the cleaner, it will do so at its own cost.

Electrical Home-Aids Pty Ltd is unable to accept responsibility under this warranty for any repair work not carried out by an authorised Wertheim Service Agent or from the use of non-genuine parts. If any part is no longer available or manufactured, Electrical Home-Aids Pty Ltd will replace it with a genuine functional replacement part. This warranty does not apply to the cost of replacing any parts of the product due to normal wear and tear, alterations, improper installation, physical abuse, misuse or accidental damage. Any transportation costs involved in the repair of defective parts shall be borne by the claimant.

If proof of purchase cannot be provided at the time of a warranty claim or service, any work carried out on the cleaner is chargeable.

The repair of the cleaner under this warranty does not extend the original period of warranty.

The benefits conferred by this warranty are in addition to all other rights and remedies in respect of the product as outlined under the Competition and Consumer Act and other State and Territory laws.

"Our goods come with guarantees that cannot be excluded in the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure."
